Orders
Finding &c Judgment.

This day this cause came on to be heard upon the application filed herein, and the evidence, notice of the time and place of this hearing having been duly given as heretofore ordered. The Court upon satisfactory proof finds that said Sarah B. Rogers is an insane person and by reason thereof is incapable of taking care of and preserving her property, that she is a resident of this County, having a legal settlement in Paris Township, and that a Guardian is necessary. It is therefore ordered that a Guardian be appointed; that the person making application to be appointed file a verified statement of the whole estate of said Sarah B. Rogers, the probable value thereof and the probable annual rents of the real estate.

It is ordered that this proceeding be recorded, and that the costs taxed at $ ——— be paid out of the property of said Sarah B. Rogers.

Petition. Plaintiff represents that she is the duly appointed and qualified guardian of Dwight Penry, now of the age of nine years, and residing with the plaintiff at Richwood, Union County, Ohio. That the following are the names of the next of kin of said ward together with their residences.

William P. Penry residing in Radnor Township, Delaware County, Ohio.

Mary Norris, residing in Richwood, Union County, Ohio.

She says that no personal estate of any kind belonging to her said ward has ever come into her possession except the sum of $848.46 which was paid to her as such guardian by the Administrator of the estate of Guy Penry, deceased, who was the father of the plaintiff's ward, which said sum of money plaintiff as such guardian still retains and holds, subject to any charges there against to be found properly chargeable upon the filing of the plaintiff's account as such guardian with the Court. Said ward has no other or further personal estate either in hand or dependant upon the settlement of decedent's estate, or the execution of any trust. Plaintiff says that her said ward is the owner in fee simple of the following described real estate, situated in the Township of Radnor, County of Delaware and State of Ohio, to-wit;

First Tract: Forty seven and one half acres off of the east end of lots numbers 1 and 2 in Range 20, Township 6, Section 4, Radnor Township, Delaware County, Ohio, of the second tier of lots, being 47½ acres off of the east end of the first and second tracts described in the

petition to partition the lands of the plaintiff and the defendant William P. Corner of the second tract in said petition described, passing over the N.E. corner of lot 1. and S.E. corner of lot 2 at 1930.8 feet; thence N. 85° 45' W. on the north line of said second tract in said petition described, and on a line parallel with the south line of lot No. 1. aforesaid, 1055.7 feet to a stone on a post at the N.E. corner of the 100 acre tract set off to William P. Penny; thence S. 4° W. and parallel with the tier line on the east line of the 100 acre tract set off to said William P. Penny, 1960 feet to the section line and center of the Penny Road, (passing over a stone on a post on the north edge of said road at 1930 feet); thence S. 85° 45' E. on said section line in the center of said Penny Road, 1055.7 feet to the place of beginning, containing 47½ acres of land, of which 15.75 acres are in Lot No. 2, and 32.25 acres are in Lot No. 1 of the second tier of lots in said section and township. Second Tract: Situated in the Township of Radnor, County of Delaware and State of Ohio, in range 20, Township 6, section 4, and being all of Lot No. 2. of the first tier of lots on the east side of said section 4, and being all of the real estate set out and described in said petition as the third and south tracts, containing 121 acres of land more or less. Excepting therefrom the land conveyed to the Hocking Valley Railroad Company and the land conveyed to the Columbus, Delaware and Marion Railway Company. Being 169 acres in all.

Plaintiff says said real estate is worth, as she believes, from $80.00 to $85.00 per acre. She says that her ward is the owner in fee simple of said real estate subject, however, to a dower interest therein of Mary Norris, the defendant; (and who is also the guardian herein), who was the widow of Guy Penny, deceased, and as such widow is entitled to dower in said real estate. Plaintiff says that said real estate so described as belonging to said ward is all unimproved land, having no buildings of any kind thereon and that by reason thereof said ward is unable to make his home there. That a large portion portion of the fences on said premises are out of repair and unless repaired will soon become utterly worthless. That a portion of said land is unfit for cultivation because it is not properly drained, and that by reason of the aforesaid facts the rental value of said premises is only $500 per year, and plaintiff says

7621. that said premises are now rented to the defendant, William P. Penry for one year, ending the last day of April, 1913, for $500cc.

Plaintiff says that the probable cost of constructing suitable buildings upon said premises, and of repairing said fences and of draining said land would be, in her opinion, about $3000cc. Plaintiff says that if said improvements were made said premises would then become a suitable place of residence for said Ward, and that the rental value of said property would be largely increased and that the total value thereof would be increased a great deal more than the costs of said improvements. Plaintiff says that for the aforesaid reasons it is in her opinion necessary to borrow said sum of $3000cc and to make said improvements.

Plaintiff says that the defendant, Mary Norris, the defendant, is the widow of said Guy Penry, deceased, and has a dower estate in all said real estate. She says that the said William P. Penry holds the next estate of inheritance in said real estate in the event of the death of the said Dwight Penry, and he is therefore a party in interest to this action and a necessary party defendant.

Petition

Plaintiff therefore prays that the said Ward and the said Mary Norris and the said William P. Penry may be defendants to this petition, that they may be notified of the pendency and prayer hereof in such way as the Court shall direct, and that she may be authorized to borrow the sum of $3000cc to make said improvements, and that she may be authorized to mortgage so much of said land of said Ward herein described as may be necessary to secure said loan and for other and proper relief.

To The Probate Court of Union County, Ohio:

In obedience to the order of said Court, after being first duly sworn, we fully investigated the question as to the necessity for the advisability of making the repairs and improvements asked for in the petition, and the probable cost thereof; (a copy of which petition and of said order is herewith returned.) and we respectfully make the following report:

Report. We find the premises described in plaintiff's petition to be wholly without buildings; we find the fences to be in bad condition and in need of repair and we also find that a portion of said premises need tiling.

We find that befor said premises can be made to return the income that it should return that it is necessary to erect suitable farm buildings on same, and that the fences be repaired and new fences be built and that a portion of said premises be tiled; We also find that it will be for the best interest of the Ward that said improvements be made.

We also find that the probable cost of the same will be not less than $3000.00

Petition

Earl Algoure respectfully represents that he is a citizen and qualified elector of said Village of Richwood, Union County. Ohio, and was such a citizen and qualified elector of said Village on the 12th day of January. 1915.

That said Village of Richwood is a Municipal corporation existing and organized under that name under the laws of Ohio. That on the 12th day of January, 1915, there was held in said Village a local option election under the law commonly known as the Beal Law.

That the judges of said election certified to the Clerk of said Village of Richwood that there were cast for the proposition "The sale of intoxicating liquor as a beverage shall be prohibited" two hundred and sixty nine votes, that there were cast for the proposition "The sale of intoxicating liquor as a beverage shall not be prohibited" two hundred and sixty eight votes.

That there are in said Village two voting precincts.

The said Earl Algoure desires to contest said election and the validity and result thereof as certified by the judges thereof for certain irregularities occurring at said election in the counting of the ballots cast at said election in the north precinct of said Village, and does hereby contest said election and the validity

and the result thereof as certified by the judges thereof for certain irregularities occurring at said election and in the counting of the ballots cast at said election in the north precinct of said Village, and states the following grounds of contest:

First: One William Tongnet, who is an idiot or an insane person, was permitted to vote at said election, and his ballot was counted in favor of the proposition "The sale of intoxicating liquor as a beverage shall be prohibited."

Second: Said William Tongnet at the time of said election was neither a blind person, a paralized person, a person of extreme old age, nor was he afflicted with other physical infirmities sufficient to incapacitate him from marking his ballot properly, yet said William Tongnet received assistance from the judges of said election in the marking of his ballot, which ballot was deposited in the ballot box and counted as a vote in favor of the proposition "The sale of intoxicating liquor as a beverage shall be prohibited".

Third: One Alexander Smart at said election received of the judges thereof an official ballot, which he mutilated by writing his name across the printing of said ballot which reads as follows "The sale of intoxicating liquor as a beverage shall be prohibited." and made no other mark nor cross upon said ballot, which said ballot was deposited by the judges of said election in the ballot box after they had been informed by the said Smart of the fact that he had written his name upon said ballot and said ballot was counted by said judges as a vote in favor of the proposition "The Sale of intoxicating liquor as a beverage shall be prohibited".

Fourth: The judges of said election during the holding thereof and at the voting booth thereof repeatedly informed the electors of said precinct that a mark at the top of the ballot meant a vote for the prohibition of the sale of intoxicating liquor in said Village, and that a mark at the bottom of said ballot meant a vote against the prohibition of the sale of intoxicating liquor in said village. That when said ballot box was opened at the close of said election there were found therein two ballots which were marked at the left of, and immediately breath the line which was below the words "The sale of intoxicating liquor as a beverage shall not be prohibited", a cross mark.

That the words "The sale of intoxicating liquor as a beverage shall be prohibited" were printed at the top of said ballot and the words "The sale of intoxicating

8129. liquor as a bevrage shall not be prohibited" were printed at the bottom of said ballot with a single black line between and a black line framing the whole. That it was clearly the intention of the electors who voted said ballot to vote in favor of the proposition "The sale of intoxicating liquor as a beverage shall not be prohibited", but that the judges of said election refused to count said two ballots in favor of said proposition.

Fifth: That the judges of the north precinct of said election certified to the Clerk of said Village One hundred and fifty seven votes in favor of the proposition, "The sale of intoxicating liquor as a bevrage shall be prohibited," whereas in fact they should have certified to said clerk One hundred and fifty five votes in favor of said proposition, which added to the one hundred and two votes certified by the judges of the south precinct of said Village, as to which there is no complaint, makes a total of two hundred and sixty seven votes actually cast in favor of said proposition. That the judges of said north precinct certified to the clerk of said Village one hundred and forty five votes in favor of the proposition "The sale of intoxicating liquor as a bevrage shall not be prohibited", whereas they should have certified to said clerk one hundred and forty seven votes in favor of said proposition, which added to the one hundred and twenty three votes certified by the judges of the south precinct and to which there is no complaint, makes a total of two hundred and seventy votes in favor of said proposition.

Petition

Your petitioner therefor prays that a summons may issue to the Mayor of said Municipal Corporation of said Village of Richwood and that upon the final hearing hereof the said vote cast by the said William Longhurst may be deducted from the total number of votes cast for the proposition, "The sale of intoxicating liquor as a bevrage shall be prohibited," that the said vote cast by the said Alexander Smart be deducted from the total number of votes cast for the proposition "The sale of intoxicating liquor as a bevrage shall be prohibited", and that the two ballots in said north precinct which were marked with a cross opposite and a little below the line beneath the words, "The sale of intoxicating liquor as a bevrage shall not be prohibited", be counted as two votes in favor of the proposition, "The sale of intoxicating liquor as a bevrage shall not be prohibited", and that same be added to the total vote in favor

8129 Answer And Cross Petition.

In The Probate Court Of Union County, Ohio.

In The Matter Of The Contest Of The Local Option Election held in the Village Of Richwood, Union County Ohio, On the 12th day Of January 1915. | No. 8129. Answer And Cross Petition.

Now comes the Defendant A.B Conkright though his Attorneys acting for the Village of Richwood, Union County, Ohio and for his answer and cross petition says:

1st Defense. The defendant says for his 1st defense.

That he admits the Village of Richwood is a municipal corporation. That on the 12th day of January, 1915, there was a local option election under what is known as the Beal Law in said Village. That the judges of election in said Village certified the result of said election as 269 votes for the proposition - "That the sale of intoxicating liquors as a beverage shall be prohibited," and 268 for the proposition "That the sale of intoxicating liquor as a beverage shall not be prohibited".

Answer and Cross Petition

Defendant further says for his 2nd Defense.

2nd Defense That one William Tongret is a citizen and elector of the said Village of Richwood; that his vote was not challenged, and that he was brought to the polls by those representing the proposition - "The sale of intoxicating liquor as a beverage shall not be prohibited". That no guardian was ever appointed for said Tongret, nor has he ever been adjudged insane.

The judges of election of said precinct did not mark the ballot of the said Tongret during the holding of the election and on a 3rd Defense said defendant says that the judges of election did not repeatedly inform electors of said precinct that a mark at the top of the ballot meant a vote for prohibition of the sale of liquor, and that a mark at the bottom meant a vote against the prohibition of the sale of intoxicating liquor, but said judges did when they were requested by electors who could not see or read, or were otherwise incapacitated and asked for information concerning the marking of the ballot, give such information to said electors as was requested by the elector.

8129. 4th Defense. The defendant further says for his 4th Defense:
That Alex. Smark did not mutilate his ballot, but
did write his name on the ballot next to and below
the proposition for which he desired to vote, namely-
"The sale of intoxicating liquor as a beverage shall
be prohibited"— and that the judges properly inter-
preted this marking of the ballot as clearly setting
forth the intention of the voter, and so counted said
ballot.

5th Defense. The defendant further says for his
5th Defense. That there are two ballots in the
Answer and Cross Petition North precinct which were marked below the black
line which was underneath the proposition-
"The sale of intoxicating liquor as a beverage shall
not be prohibited." That there was no cross
mark opposite the proposition and it was impossible
for the judges to determine the intention of the
electors so marking said ballots and said
ballots were not marked in accordance with the
law. Therefore, the judges of said North precinct
properly rejected said ballots by unanimous vote.

6th Defense. Defendant further says for his cross
petition; and as a 6th Defense. That in the South
precinct in said Village of Richwood at said election,
four ballots which were marked below the lower
black line and not opposite the proposition "The sale
of intoxicating as a beverage shall not be
prohibited," were counted in favor of said proposition
when such ballots were not marked according to
law, but were marked in such a manner as to
make it impossible to determine the intent of the
voter. Said ballots were counted for the proposition,
8129 "The sale of intoxicating liquor as a beverage shall
not be prohibited." when such ballots should not
have been counted for either of the questions submitted.

Judgment Of The Court.

In The Matter Of The Contest Of The Local Option Election Held in the Village Of Richwood, Union County, Ohio, on the 12th day of January, 1913.

Entry

This cause coming on this day for further hearing was submitted to the Court upon the pleadings and the evidence, and on consideration thereof, the Court find, on the issue joined, for the Contestee.

Judgment Of The Court

The Court further finds, that at said election, 269 votes were counted for the affirmative proposition, towit, "The sale of intoxicating liquors as a beverage shall be prohibited," and, that 268 votes were counted for the negative proposition, towit, "The sale of intoxicating liquors as a beverage shall not be prohibited."

The Court further finds that said William Tongnet is an idiot, and as such is not an elector; that he voted for said affirmative proposition; that said vote should be, and hereby is deducted from said 269 affirmative votes, and not counted, thus leaving 268 affirmative votes.

The Court also finds that said A. C. Smart mutilated his ballot by writing his name immediately below said affirmative proposition, and by making no cross mark thereon; that said ballot was counted for said affirmative proposition; that said vote should be, and hereby is deducted from said remaining affirmative votes, thus leaving 267 affirmative votes.

The Court further finds that the word "no" was written in the space to the left of said negative proposition, but with no cross, nor other mark thereon, and that it had been counted for said negative proposition; that said vote should be, and hereby is deducted from said negative votes, and not counted, thus leaving 267 negative votes.

The Court further finds that four ballots were counted for said negative proposition in said South precinct, each marked with a cross mark in the space to the left of said blank under said negative proposition, and separated therefrom by a black line; that it is impossible to determine the intent of the voters as to said four ballots; that said four votes should be, and hereby are deducted from said

Judgment & The Court. The Court further finds, that by deducting said remaining 263 negative votes from the remaining 267 affirmative votes, there is a majority of four votes in favor of the proposition "The sale of Intoxicating liquors as a beverage shall be prohibited".

It is Therefor Ordered, That the proposition against the sale of intoxicating liquors as a beverage, is entitled to and should be credited with a majority of four votes as a result of said Beal Local Option Election held in the Village of Richmond, Ohio, on the 12th day of January A.D. 1915. Probate Court Of Union County. Ohio.

In The Matter Of The Guardianship Of Caddie Randall and Maud Hawn, Lunatics.	No. 7326. Application To Improve Real Estate.

To the Honorable Edward H. Porter,
Probate Judge of said Court.

Now comes Cornelius S. Hamilton Guardian of the said Caddie Randall and Maud Hawn aforesaid, and says that his said Wards are the owners in fee of a certain described tract of real estate, situated in the Township of Paris in said County of Union and State Of Ohio, to-wit; containing about 25 acres more or less, and that sometime in the past and long before his said Wards became the owners thereof that from time to time the original owners thereof sold and caused to be removed from said premises a large quantity of sand and gravel that in the removal thereof said parties excavated large and deep holes in said premises and left the same as such and never caused the same to be refilled or has any one refilled or reclaimed said land or the portion thereof known as gravel pits.

That said pits and excavated places are now in such a condition that they are waste land, located in the center of said farm, filled with mud, mire, brush, and weeds and untillable and which causes considerable land thereabout to be untillable and a waste, and an expense each year in cutting brush and weeds therefrom.

That this affiant believes that by the expenditure of not to exceed the sum of $50.00 that he can cause said holes excavations and pits to be filled and graded, that the same can be reclaimed thereby and made tillable and productive, and greatly improve the value, income and looks of said farm.

Wherefore the said Cornelius S. Hamilton as such guardian as aforesaid asks that he be authorized and empowered and allowed to expend not to exceed the sum of $50.00 of the funds belonging to the estate of his said Wards in reclaiming said real estate.

Now comes James E Clark executor of the estate of Shepherd Clark deceased and represents to the court that among the assets of the estate of the said Shepherd Clark, is a stock of hardware, plumbing supplies etc. That the appraisers heretofore appointed by the court to appraise the assets and effects of the estate of the said Shepherd Clark, deceased, are not properly qualified to appraise said stock of hardware by reason of the fact they are not familiar with the values and prices of the various articles constituting the same, and that it would be for the best interest of said estate for additional appraisers to be appointed to appraise said stock of hardware.

That said last will and testament of the said Shepherd Clark. deceased, contained the following provision with reference to said hardware store, towit:

Now comes James E. Petition

Said Executor further says that he believes that said sum of $5820.00 is the highest price that can be obtained for said hardware store and that it will be for the best interests of said estate if said former order of this court directing said executor to sell said store at public auction be vacated and that said executor be authorized to sell said store at private sale for the highest price he can obtain therefor and not less than $5820.00.

Said Executor therfor prays that the former order of this court directing him to sell said store at public auction be vacated and that he be authorized to sell said store at private sale for the highest price he can obtain therefor and for not less than $5820.00 in cash.

Now comes the said plaintiffs, Joseph A. Sanders and Eliza Sanders and move the Court to set aside the verdict of the jury in the above entitled action and for a new trial and set forth the following reasons therefor, to-wit:

of the evidence and the law.
Third:
Because the damages allowed by the jury in its verdict is wholly inadequate to compensate the plaintiffs for the damages which they will suffer And the amount thereof is not justified by the testimony nor by the weight of the testimony
Fourth:
That the court erred in admitting testimony objected to by the plaintiffs on the trial.
Fifth:
That the court erred in refusing testimony to go to the jury which was offered by the plaintiffs at the trial.
Motion to set aside Verdict For a New Trial.
Sixth:
The court erred in his charge to the jury
Seventh:
The court erred in refusing to charge the jury as requested by the plaintiffs on the trial.
Eighth:
The court erred in charging the jury on the question of compensation for land taken.
Ninth:
The court erred in charging the jury as to damages, other than compensation for land taken.
Tenth:
The charge of the court is erroneous for the further reason that it does not draw the jury's attention to the various causes for which damages may be awarded.
Eleventh:
The charge of the Court is erroneous and misleading and did not inform the jury of all of the questions and causes of damage which they might consider.
Twelfth:
Because of other errors apparent upon the face of the record,

To the Hon. Edward W. Porter, Probate Judge.

It as much as the Appraisers appointed by the Court for the purpose of appraising the estate of the decedent, Andrew Jolliff, have wholly failed to provide and set off a years allowance for the widow, but in their report of their appraisment of the said estate, do say that they cannot agree upon any amount for the years allowance for the widow, and ask that the Court may fix and provide for the same.

Now, therefor, comes the executor, Arthur E. Jolliff, and asks the Court to provide for and set off the years allowance for the widow, if the Court finds it is within his jurisdiction to so do; but if the Court finds that it is not within his jurisdiction to so provide for the years allowance, the

Entry. This cause came on to be heard upon the motion of Arthur E. Jolliff, the Executor herein, asking the Court to fix the amount of the years allowance of the widow herein, on the ground that the appraisers have reported that they are unable to agree as to the amount that ought to be allowed, if the Court finds that it has jurisdiction to do so; and further, that if the Court finds that it has not such jurisdiction, that the Court appoint three other suitable appraisers to fix and provide said allowance.

Whereupon the Court finds that it has not jurisdiction therefor because there was no request upon the part of said appraisers to attempt to fix said amount; and the Court being fully advised in the matter, and both the Executor and the widow, herein, having agreed thereto, in open Court, it is ordered that said years allowance be fixed at the sum of Six Hundred ($600.00) Dollars, and this cause is continued.

No. 4583 Application for Transfer of Real Estate Devised.

In the matter of
The Will Of
Marcella R. Johnson, Deceased.

Now comes Addie E. Now comes Nathan McKeever and in answer to the motion of the said Charles McKeever wherein an order of the Court is sought removing this answering party as administrator of the estate of Lewis H. McKeever on the ground "that there are unsettled claims and demands existing between the said Nathan McKeever and said estate which will probably be the subject of controversy and litigation between the said Nathan McKeever and said estate" states that he has no claim or demand of any sort against said estate of Lewis H. McKeever deceased except as an heir at law as being one of the sons and children of the said Lewis H. McKeever deceased and being the same kind of a claim and no more than that of the answer here Charles McKeever and further that there is nothing to litigate between this answering party and said estate.
