AN ACT

Providing against the Evils Resulting from the Traffic in Intoxicating Liquors.

(Passed May 14th, 1886. As amended March 21st, 1887, March 26th, 1888, and April 14th, 1888, and April 28th, 1890, and February 20th, 1896.) See Rev. Stats., 1890, Secs. 8892-8904.

[8892] § 1. *Be it enacted by the General Assembly of the State of Ohio.* That section 1 of an act entitled, "An act providing against the evils resulting from the traffic in intoxicating liquors," as amended March 26th, 1888, (O. L., vol. 85, p. 117), and also sections 9 of said act, as amended April 28th, 1890, (O. L., vol. 87, p. 357).

[8892] § 1. That upon the business of trafficking in spirituous, vinous, malt, or any intoxicating liquors, there shall be assessed, yearly, and shall be paid into the county treasury, as hereinafter provided by every person, corporation or co-partnership engaged therein, and for each place where such business is carried on by or for such persons, corporation or co-partnership, the sum of \$350.

[8893] § 2. That said assessment, together with any increase thereof, as penalty thereon, shall attach and operate as a lien upon the real property on and in which such business is conducted, as of the fourth Monday of May, each year, and shall be paid at the times provided for by law for the payment of taxes on real or personal property within the state, to-wit: one-half on or before the 20th day of June, and one-half on or before the 20th day of December of each year.

[8894] § 3. That when any such business shall be commenced in any year after the fourth Monday of May, said assessment shall be proportionate in amount to the remainder of the assessment year, except that it shall be in no case less than \$25, and the same shall attach and operate as a lien as aforesaid, at the date of, and be paid within ten days after such commencement; and whenever any person, corporation or co-partnership engaged in such business, who has been assessed as aforesaid, and who has paid or is charged upon the tax duplicate with the full amount of said assessment, discontinues such business, the county auditor, upon being satisfied of that fact shall issue to such person, corporation or co-partnership, a refunding order for a proportionate amount of said assessment, except that it shall be in no case less than fifty dollars.

[8895] § 4. That if any person, corporation or co-partnership shall refuse or neglect to pay the amount due from them under the provisions of this act within the time therein specified, the county treasurer shall thereupon forthwith make said amount due with all penalties thereon, and 4 per cent. collection fees and costs, by distress and sale, as on execution, of any goods and chattels of such person, corporation or co-partnership; he shall call at once at the place of business of each person, corporation or co-partnership, and in case of the refusal to pay the amount due, he shall levy on the goods and chattels of such person, corporation or co-partnership, wherever found in said county, or on the bar, fixtures or furniture, liquors, leasehold and other goods and chattels used in carrying on such business, which levy shall take precedence of any and all liens, mortgages, conveyances, or incumbrances hereafter taken or had on such goods and chattels, so used in carrying on such business; nor shall any claim of property by any third person to such goods and chattels, so used in carrying on such business, avail against such levy so made by the treasurer, and no property, of any kind, of any person, corporation or co-partnership liable to pay the amount, penalty, interests and costs due under the provisions of this act, shall be exempt from said levy. The treasurer shall give notice of the time and sale of the personal property to be sold under this act, the same as in cases of the sale of personal property on execution; and all provisions of law applicable to sales of personal estate on execution shall be applicable to sales under this act, except as herein otherwise provided; and all moneys collected by him under this act shall be paid, after deducting his fees and costs, into the county treasury. In the event of the treasurer, under the levy provided for under this act, being unable to make the amount due thereunder, or any part thereof, the county auditor shall place the amount due and unpaid on the tax duplicate against the real estate in which said traffic is carried on, and the same shall be collected as other taxes and assessments on said premises.

[8896] § 5. That every assessor shall return to the county auditor with his other returns, a statement upon a blank to be furnished by such auditor for that purpose, as to every place within his jurisdiction where such business is conducted, showing the name of the persons, corporation or co-partnership engaged therein, a brief and accurate description of the premises where the same is conducted, and by whom owned; said statement shall be signed and verified before such assessor by such person, corporation or co-partnership. And if such person, corporation or co-partnership shall, on demand, refuse or fail to furnish the requisite information for such statement, or to sign or verify the same, such fact shall be returned by the assessor, and thereupon such assessment on said business shall be four hundred dollars. And if any assessment aforesaid shall not be paid when due, there shall be added a penalty thereto of 20 per centum, which shall be collected therewith.

[8897] § 6. The county auditor shall make and preserve duplicates of such assessment, alphabetically arranged, showing the amount and date of each assessment, by whom to be paid and the premises wherein the same is a lien. And upon receiving satisfactory information of any such business liable to assessment, or increased assessment, as aforesaid, not returned by the assessor, he shall forthwith enter the same upon such duplicate, and upon the county treasurer's copy thereof. By the first Monday of June of each year he shall make out and deliver to the county treasurer a copy of such duplicate, charging him with the full amount of such assessment to be collected, and also with any additional assessments, or increased assessments and penalties thereon.

[8898] § 7. The county treasurer shall collect and receipt for all assessments so returned to him, and if any assessment shall not be paid when due, he shall forthwith proceed, as provided in section four of this act, to collect the same, and in case he shall fail to make such assessment from the goods and chattels therein described, then said treasurer shall immediately proceed, as provided in section 1104 of the Revised Statutes, to enforce the lien for the same, with the penalty thereon. And the provisions of said section 1104, and all other provisions of the law of this state relating to the assessment and collection of taxes are hereby made applicable to the enforcement of the liens and the collection of such

assessments and penalties. The treasurer shall charge himself with all such assessments placed in his hands for collection, and shall account to the auditor for the same, together with all penalties collected thereunder.

[8899] § 8. The phrase "trafficking in intoxicating liquors" as used in this act, means the buying or procuring, and selling of intoxicating liquors otherwise than upon prescription issued in good faith by reputable physicians in active practice, or for exclusive known mechanical, pharmaceutical or sacramental purposes; but such phrase does not include the manufacture of intoxicating liquors from the raw material and the sale thereof at the manufactory by the manufacturer of the same in quantities of one gallon or more at one time.

[8900] § 9. That the revenues and fines resulting under the provisions of this act shall be distributed as follows, to-wit: In every county three-tenths of the money paid, as herein provided, into the county treasury, on account of any business aforesaid carried on in any city, village, hamlet or township therein, shall be passed to the credit of the general revenue fund of the state, and paid into the state treasury by the county treasurer, as provided in other cases; five-tenths of the money so paid shall, upon the warrant of the county auditor, be paid on account of any business aforesaid carried on in any such municipal corporation, into the treasury of said corporation, one-half to the credit of the police fund, and one-half to the credit of the general revenue fund thereof; provided, in corporations having no police fund, the entire five-tenths shall be passed to the credit of the general revenue fund thereof, and the remaining two-tenths part thereof, together with all other revenues resulting hereunder in said county, shall be passed to the credit of the poor fund of said county; provided, that in all counties in which there is no county infirmary said remaining two-tenths part thereof shall be passed to the credit of the infirmary fund or the poor fund of the township, village or city in which the same shall have been collected; and in such counties, when the money is paid on account of any business carried on in any township outside of any such municipal corporation, said five-tenths, also, shall be passed to the credit of the infirmary fund or the poor fund of said township; and provided, that in counties having a city of the first grade of the first class with a city infirmary and a county infirmary, the above two-tenths part shall be divided as follows: The city infirmary fund shall have passed to its credit two-tenths of all the money so paid in said city of the first grade of the first class; the county infirmary fund shall have passed to its credit two-tenths of all the money so paid in by any village, hamlet or township in said county outside of said city of the first grade of the first class; and the above five tenths part of all the money so paid in by any township outside of any municipal corporation shall be paid into the treasury of such township, to be distributed by the order of the trustees of said township to the general revenue fund and poor relief fund, in such proportions as said trustees may deem proper.

[8901] § 10. That within ten days after the passage of this act, each county auditor in the state is hereby directed to publish, by one insertion in some newspaper of general circulation in his county, a notice informing all persons engaged in the traffic in intoxicating liquors, that the first assessment imposed by this act will be due and payable on or before the twentieth day of June, A. D., 1896. The attorney general and the prosecuting attorneys of the several counties are charged with the duty of seeing that the requirements of this section are observed and may enforce the same if necessary by proceedings in mandamus. The county commissioners of the respective counties may allow their county auditor a reasonable compensation for the discharge of the duties imposed upon him by this act.

[8902] § 11. That the sale of intoxicating liquors, whether distilled, malt or vinous, on the first day of the week, commonly called Sunday, except by a regular druggist, on the written prescription of a regular practicing physician for medical purposes only, is hereby declared to be unlawful, and all places where such intoxicating liquors are on other days sold or exposed for sale, except regular drug stores, shall on that day be closed, and, whoever makes any such sale, allows any such place to be open or remain open on that day shall be fined in any sum not exceeding one hundred dollars, and not less than twenty-five dollars, and be imprisoned in the county jail or city prison not less than ten days and not exceeding thirty days. In regular hotels and eating houses, the word "place" herein used, shall be held to mean the room or part of room where such liquors are usually sold, or exposed for sale, and the keeping of such room or part of room securely closed shall be held, as to such hotels and eating houses, as a closing of a place within the meaning of this act; and any municipal corporation shall have full power to regulate, restrain and prohibit ale, beer and porter-houses and other places where intoxicating liquors are sold at retail, for any purpose, or in any quantity, other than is provided for in section 8 of this act, as amended March 21, 1887. But if any municipal corporation shall prohibit ale, beer and porter-houses or other places where intoxicating liquors are sold within the limits of such corporation, a ratable proportion of the tax paid by the proprietors thereof for the unexpired portion of the year shall be returned to such proprietors.

[8903] § 12. Whoever sells intoxicating liquors to a minor, except on the written order of his parent, guardian or family physician, or to a person intoxicated or in the habit of getting intoxicated, shall be fined not more than one hundred nor less than twenty-five dollars, and imprisoned not more than thirty nor less than five days.

[8904] § 13. The abrogation or repeal of any section or clause of this act shall not be held to abrogate or repeal any other section or clause thereof.

SEC. 14. Section sixty-nine hundred and forty-one of the Revised Statutes is hereby repealed.

SEC. 15. This act shall take effect and be in force from and after its passage.

SEC. 2. That sections 1 and 9 of said act as heretofore amended be and the same are hereby repealed, and this act shall take effect and be in force from and after its passage.

Passed February 20, 1896.
