

Coffee with the Sheriff

The Union County Sheriff's Office will be hosting Coffee with the Sheriff beginning in February and then every other month thereafter. Sheriff Jamie Patton will be visiting different locations throughout Union County to have coffee and conversation with community members to discuss the different trends the office is seeing, programs the Sheriff's Office has to offer and to give the community a chance to ask questions. "There is no agenda, no speeches, just a chance to ask questions, voice concerns and meet members of the Sheriff's Office," says Sheriff Patton.

Union County has seen a tremendous amount of growth, with no signs of slowing down. Our mission is to maintain the quality of life we enjoy and to ensure Union County is a safe place to live, work and visit. This program is another way that we are partnering with the community to promote safe and secure neighborhoods.
