

UNION COUNTY SHERIFF'S STAR

CITIZENS ACADEMY

Citizens Academy offers the opportunity for members of the Sheriff's Office staff to work with our community, in hopes, to build a strong relationship with those we serve and protect. The Citizens Academy is made up of community members that take part in a 12 week program, meeting on Monday nights. This program helps participants gain a better understanding of the day-to-day responsibilities of the Sheriff's Office. During the program, participants learn about the history and our mission; the role of our Dispatchers, with a tour of our 9-1-1 Communications Center; the role and responsibilities of our Deputy Sheriffs and the Patrol Division, including crisis intervention, domestic violence, traffic stops, and accident investigations. They learn about our Support Services Division, Project Lifesaver Program, and the tracking device. Participants will spend time at the UCSO Range facility to learn about the Special Response Team and how the DRONE can help assist the Sheriff's Office. There will be a tour of the Investigations office while learning about the drugs in our community, crime scene investigation, interview & interrogation, photography, fingerprinting, DNA analysis, and identity theft. During the final weeks of class, participants will learn the responsibilities of our Court Services Division, court security, sex offender registry, background checks, concealed carry permits, and prisoner transports; along with a tour of the Tri-County Regional Jail, and a ride along with a patrol Deputy.
